We simply deliver more

At **Primaflow F&P** we are proud in our approach to continually offer you more and this year's cashback promotion is no exception. Not only do we have a fantastic range of cashback deals running from **1st October** until the **21st December**, but also we are delighted to introduce the 'plus' offering into the mix.

£BACK+

Following on from the massive success of last year, we're bringing you even more offers. In addition to the standard cashback available to you throughout the period, each week we are delighted to bring you bonus promotions to help boost your cashback balance. What's more, with our easy-to-use rewards website www.fandprewards.co.uk/cashbackplus not only can you view the weekly offers but you can also view your cashback total along with a statement of purchases enabling you to see which products you have earned cashback on.

Bonus Promotions

With new bonus promotions each week you will need to log in to www.fandprewards.co.uk/cashbackplus to see the live offers. We will even give you a sneak peek at what's coming up next!

Don't hold back, these bonus promotions are only available for a **5 day period**. Once they are gone they're gone so get your purchases in during the timeframe to qualify for the bonus offers – see individual promotions for full offer details.

How to sign up

The great news is that if you already have an account on F&P Rewards you don't need to do a thing!

Your account details for the website will remain the same – don't forget to check in to see all the latest offers and your personal **£BACK+** balance.

Not an F&P Rewards member yet? Simply register your company and activate your account online at: www.fandprewards.co.uk and click the **REGISTER NOW** button.

Your personal £BACK+ accumulator

Once logged into www.fandprewards.co.uk you will easily be able to view your **£BACK+** balance at a glance.

We will keep you updated on your progress throughout the promotion period – your profile box will even let you know when the cashback balance was last updated.

Please note, cashback balances will be subject to a 'cooling off' period to allow for any credits or returns to be processed.

Receiving your £BACK+ credit

On completion of the promotion, your **£BACK+** payment will be made by credit to your credit account, subject to the terms and conditions of the sale and promotion.

2. Those who participate in this Promotion (the "Participants") will receive a cash back payment to the bank account linked to the Primaflow F&P credit account the order was placed from, subject to the credit account being up to date in accordance with the Terms & Conditions of sale (which can be found at www.primaflowfandp.co.uk).
3. Participants must accumulate a minimum of £30 in cash back payments before the sum is transferred to the connected bank account. Any accrued cash back below the minimum £30 threshold will be disregarded at the end of the Eligibility Period.

5. The amount of eligible cash back will vary between products, please check the specific products' promotional material for further guidance.
6. If a Qualifying Order is returned, the amount of cash back accrued will be reduced to reflect the value of returned goods. If the goods are returned after the end of the Eligibility Period, the refunded amount will take into consideration any cash back payment already made.
7. The Promoter reserves the right in its absolute discretion to amend or withdraw this Promotion or alter the amount of cash back on any product at any time in its absolute discretion and without prior notice.
8. Bonus promotion offers are only available between the given Monday and Friday of the promotion period stated, which will be notified via email. The Promoter's failure to enforce any of these Terms and Conditions shall not constitute a waiver of that provision.
11. Information collected from the Participants in connection with the orders placed under this Promotion will only be used for the purposes of fulfilling those orders and will not be disclosed to a third party, other than is absolutely necessary to fulfil that order, without the Participant's prior consent.
